Cream Inframed

Elegant, timeless, luxurious, charming, all words that describe this new addition to our range. A splendid kitchen by any standards and one that will stand the test of time in either a country home or a modern apartment.

Designer Inframed

This Maple kitchen features a fine Walnut slipping detail that surrounds the door to create an intricate panel mould. Short overmantle and elegant granite upstand offer a look of true class & elegance to this beautiful kitchen.

Ivory Inframed

Beautiful pilasters, corbels & cor-nicing all add to this elegant, classic kitchen. With its cream décor and black granite worktop the overall effect is light & sophisticated. The handpainted finish offers a practical alternative to ageing as it can be re-painted.

Designer Inframed

Take Inframed Cream a step further with this magnificent designer kitchen. Everything is framed with a walnut slip which highlights the finer details. Truly a definite statement in any home.

Pippy-Oak Inframed

In-Framed kitchens are designed to mix the old style kitchen with the contemporary kitchen. Nowhere is this more evident than in this beautifully crafted solid Pippy-Oak kitchen finished with rounded pillisters. The ultimate stylish country kitchen!

Island Concepts

Islands are defined as the centerpiece of any kitchen. Offering both looks and practicality, its a design stage that shouldn't be overlooked. Seating, storage, cooking or wash area we'll help you find the right one for you. In terms of design, your imagination is the limit!

Standard Kitchens

The secret of maple lies in its simplicity. It is a beautiful warm, blonde wood, with a fine, uniform grain. This is clearly demonstrated by this particular kitchen with its shorter overmantle.

All the elements of clean, simple design are evident in this particular ash kitchen. With its natural light aesthetic finish its sure to become one of today's classic country home choices.

This particular kitchen and island offers a truly authentic Shaker look. Combining this now classic style with the equally classic Maple finish answers any contemporary kitchen layout requirement.

Bedrooms-Wardrobes

Figure 1: A varied selection of both doors and styles. Wardrobes are available in either PVC or solid wood. Please visit our showroom for further information.

Standard Kitchens

The most popular choice of wood for country furniture is Pine, with its warm natural colour and rustic knots. Pine will complement any home whether deep in the country or in the centre of town.

With its bright Ivory decor, black granite worksurface and modern stainless steel chimney hood this kitchen is sure to make an impact with its sophisticated look.

Tough and hardwearing, Oak looks good for years, only mellowing and improving with age. The beauty is in the elegant proportions and warm comforting glow of its natural colour.
